

Platform Database - Module ERD Overview

Detailed ERD pack is divided by module so PK/FK fields remain readable in paper document

Module 1 - Auth & Accounts

accounts_accounts
account_emailaddress
account_emailconfirmation
socialaccount_socialaccount
socialaccount_socialapp
socialaccount_socialtoken
auth_group
auth_permission

Module 2 - Profiles & Specializations

accounts_profile
accounts_clientprofile
accounts_workerprofile
accounts_agency
specializations
accounts_workerspecialization
accounts_interestedjobs
accounts_city

Module 3 - KYC & Agency

accounts_kyc
accounts_kycextradata
kyc_extradata
agency_agency
agency_agencykey

Module 4 - Jobs & Applications

jobs
job_skill_slots
job_applications
job_worker_assignments
job_employee_assignments
price_negotiations
saved_jobs

Module 5 - Job Operations

job_logs
job_materials
job_photos
job_reviews
job_disputes
dispute_evidence
review_skill_tags

Module 6 - Daily Operations

daily_attention
daily_job_updates
daily_rate_updates
daily_skip_updates
backjob_updates

Module 7 - Finance & Payments

accounts_userpaymentmethod
accounts_wallet
accounts_transaction

Module 8 - Messaging

conversation
conversation_participants
message
message_attachment

Module 9 - Admin

adminpanel
adminpanel_notifications
adminpanel_notifications_settings
adminpanel_notifications_filters
adminpanel_notifications_filters_settings
